

## Austrian Israeli Chamber of Commerce

The **AICC** is a **bilateral chamber with the purpose to promote commercial relations between Israel and Austria** in both directions. Since its formation, the AICC has been focusing on networking and lobbying with the intent to support Israeli companies while penetrating the Austrian market and in order to increase their business development.

The **AICC** is the right choice for profitable business in Austria, because when you choose the **AICC**, you get:

- **Market research in Austria/EU and CEE/SEE:** The **AICC** does comprehensive market researches in order to place your product in the most successful way.
- **Seeking Cooperation Partners:** The right cooperation partner abroad is the key to successful market presence. The **AICC** will find the most suitable business partner for your company
- **Arrangement of appointments:** The **AICC** arranges and conducts business meetings with you abroad and also assists with translations during the meeting itself
- **Consultant Services:** For our wide range of consulting services please see more information below.
- **Road shows:** Apart from one-on-one meetings the **AICC** will organize countrywide road shows with potential business partners.
- **Travel services:** Please check our website for special hotel rates or contact our office directly.
- **Exhibition Services:** The **AICC** organizes exhibitions in Austria for your company.
- **Event Management:** The **AICC** will organize business events for your company in Austria

The **AICC** believes in the philosophy that major success can only be reached with the right partners. Therefore the **AICC** has chosen the most reliable, experienced and professional partners to work with, in the following branches:

- **Legal Consulting:** The **AICC** is cooperating with one of Vienna's leading international Law firms with a subsidiary in Bratislava and a partner office in Haifa, Israel. Moreover our legal partner operates within a European wide legal network and especially in SEE/CEE but also Russia/Ukraine/Kasachstan.
- **Business Consulting:** The **AICC's** partner in this field is one of Austrian leading business consultancies with strong relations in SEE and CEE as well as in Israel
- **Tax Consulting:** The **AICC** chose one of Austria's leading Tax consultancies with offices in Switzerland, Germany, Vienna and Dubai to be its partner in all tax related matters
- **Banking Services:** Austria is known for its discrete and professional banking sector. The AICC cooperates with all leading financial institutes in Austria in order to find the best financial solution for your company.
